

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
breaks the law by
using public
airwaves in a way
that does not serve
the public interest.
They have no plans
to show a pro-Kerry
program, and are
deliberately trying
to influence the
election rather than
inform viewers on
both sides of the
issues.

I respectfully
request that the FCC
does everything in
its power to stop
Sinclair from this
illegal takeover of
public airwaves.
Thank you.
